LE METODOLOGIE

First Activity

1. Read the information together.
2. Write down the 3-4 most important key points, together.
3. Decide who will stay and be teachers
4. Decide who will be the explorers

Circle time, JigSaw, Discussione collettiva, esperimenti, didattica a stazioni, apprendimento attivo, didattica per progetti (PBL), lavoro di gruppo, cooperative learning, cinema come strumento di apprendimento

BEST PRACTICE ALESSIA

Attività di ampliamento
del lessico inglese molto
dinamica e diversificata in
tempi, spazi e
metodologie, iniziata con
la lettura di un libro
digitale come input

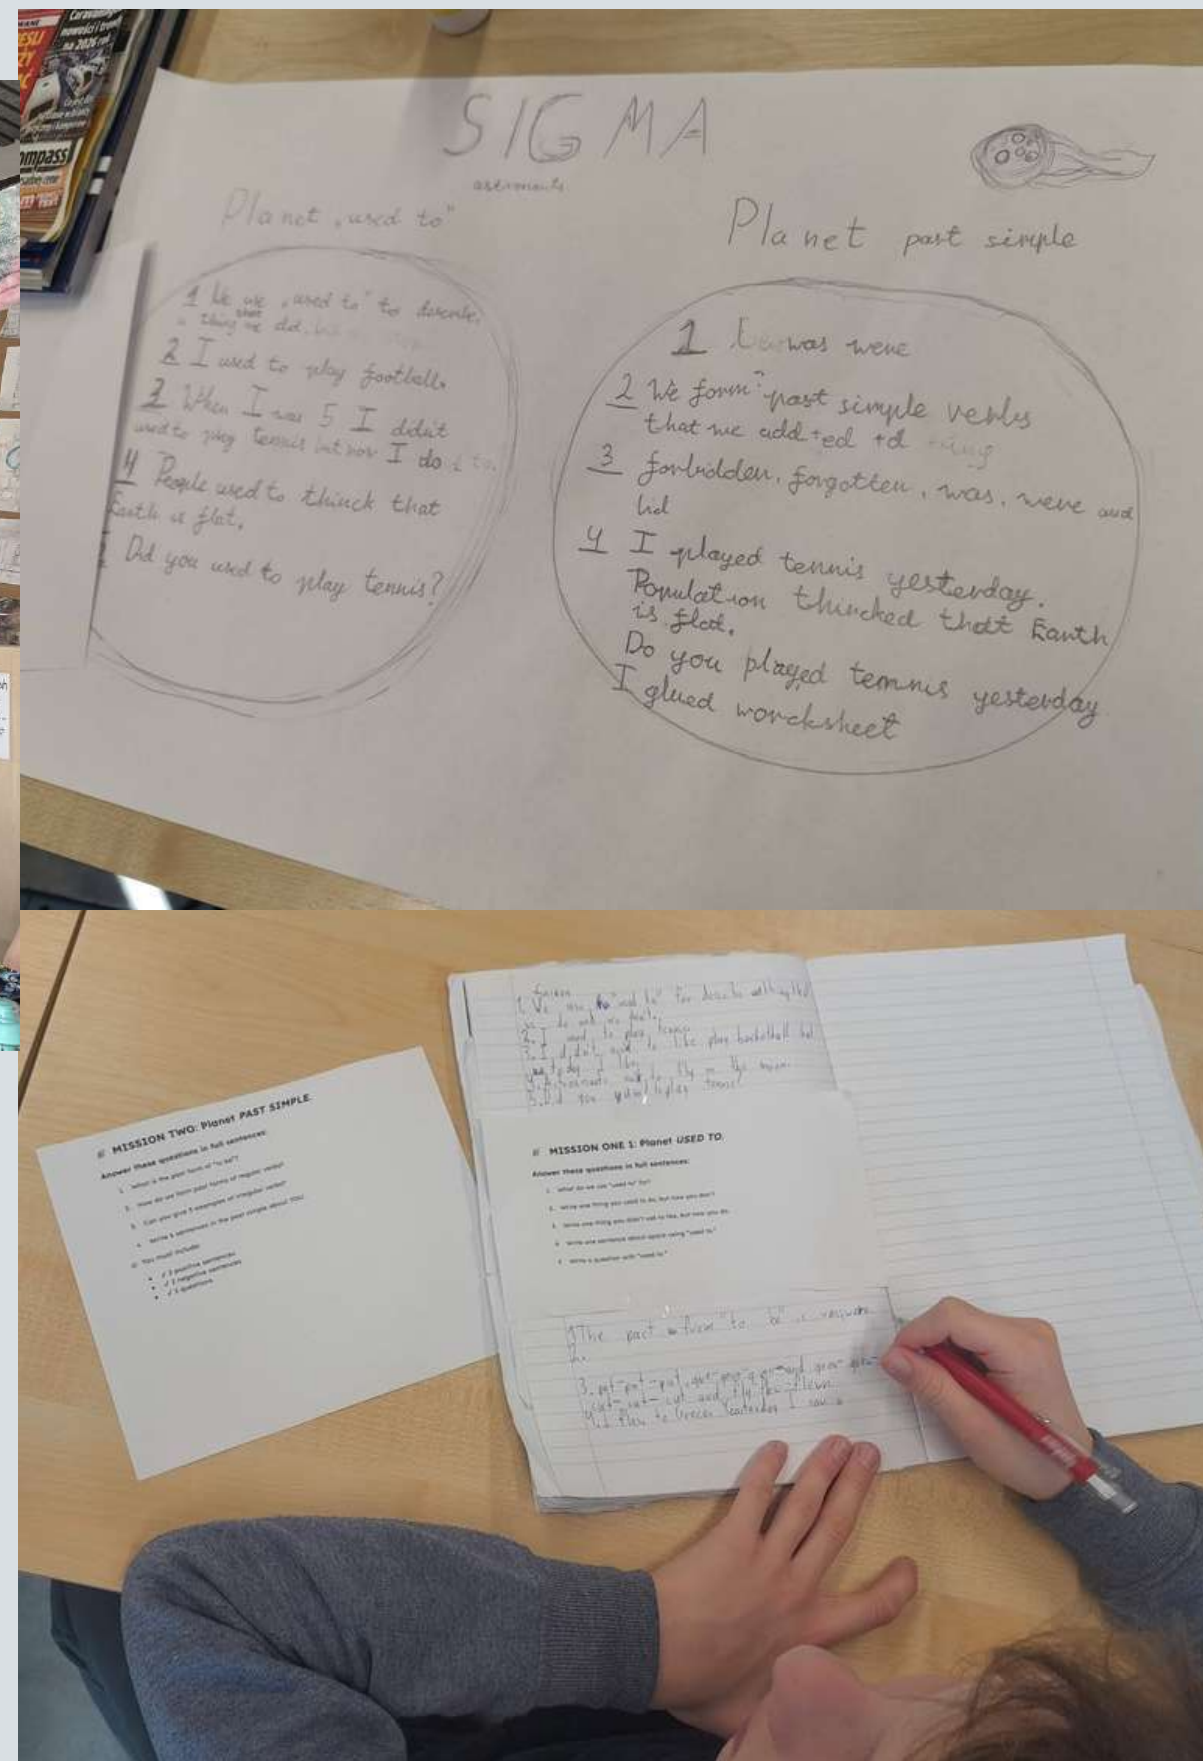

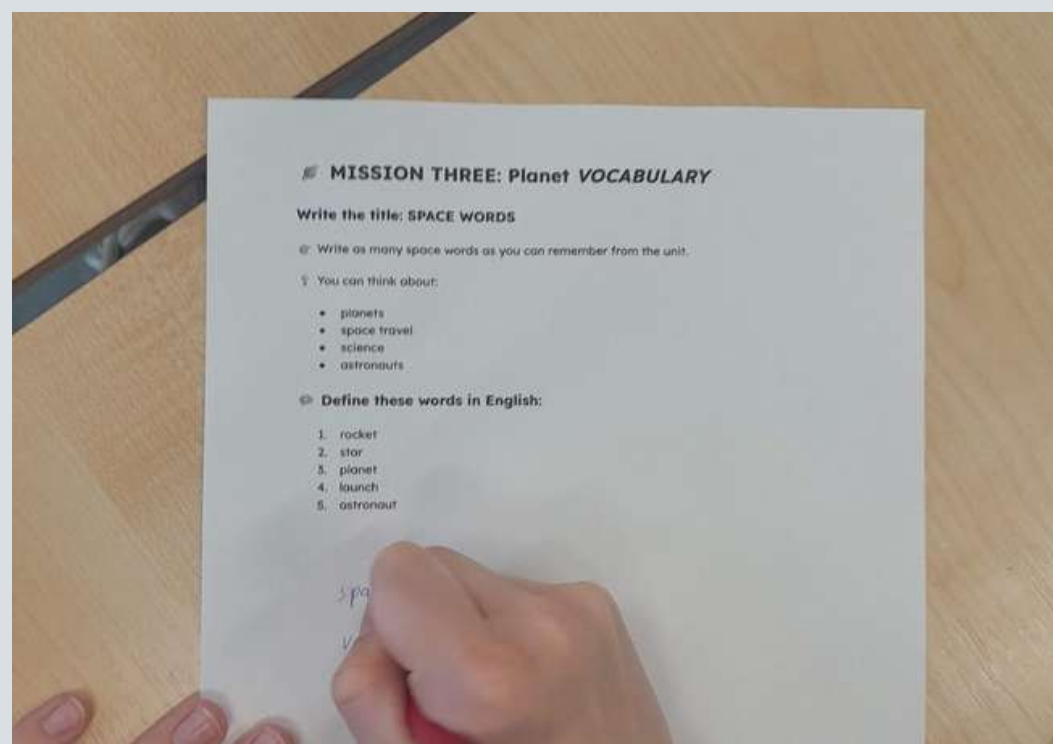

BEST PRACTICE PAOLA

Coinvolgenti attività di
revisione della
grammatica e del lessico
inglese: attività a step
guidate dall'insegnante da
svolgere prima
individualmente e poi in
gruppo per creare disegni
con ambientazione
collegata al tema della
unit

BEST PRACTICE CHIARA

Laboratorio di progettazione e costruzione di un modellino di città Eco-Friendly, utilizzando materiali di riciclo.

Attraverso la metodologia del Project-Based Learning, l'attività consolida i concetti di sostenibilità e di Ed. Civica sviluppando il problem solving e le competenze cooperative .

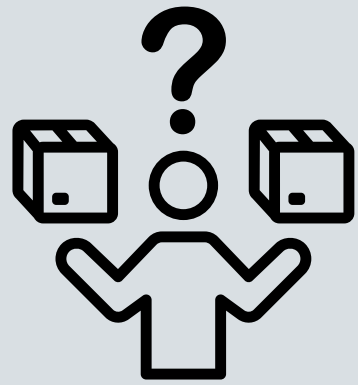

BEST PRACTICE MANUELA

Come capire Shakespeare e il Macbeth attraverso la comprensione di testi, la risposta ad alcune domande chiave e ad un importante "Gioco di ruoli" gli studenti hanno analizzato la vita, le opere e l'importanza poetica, letteraria e storica dello scrittore. un ottimo modo dinamico e coinvolgente per apprendere senza distrazioni
